Training and Development Plan - Christian de Leon

Other | Recorded 2026-11-01

Staff information	Details
Name	Christian de Leon
Employee ID / role	EMP-00044 / IT Administrator
Department / shift	Unassigned / Morning
Email	itadmin.christianleon@pagecom.com

Learning objectives

Build consistent work habits and address gaps identified in current assignments. Activities below are planned for the next 30 days.

Activity	Expected evidence
Account security and incident documentation	A practical exercise and a short learning reflection.
Deadline planning and task tracking	An updated weekly checklist with priority and due date.
Data confidentiality and record quality	A reviewed checklist covering access, accuracy and handling.

Follow-up

Schedule a progress discussion with Human Resource. Completion dates and supporting evidence will be added after the learning activities are finished.

Document review

Status: Submitted

Awaiting Human Resource review.
